

Fraser Presbytery
The United Church of Canada
Meeting 14 June 2011 - Celebration of Ministry

Ordered personnel and lay delegates gathered at Crescent United Church for a meeting, but no ordinary one. This night we celebrated the acknowledgement of ministry for Gabrielle McClarty and Kerry Child.

Gabrielle and Kerry listen to the words of covenant into which they are about to enter.

Marion Carr (and Karen Verveda) from the Education and Students' committee present Gabrielle and Kerry with gifts, as tokens of their recognition of ministry.

Called to pray, one for another in ministry.

Call to Worship
One: Sisters and brothers God is here among us.
All: Praise be to our God who calls and equips us for the work of the Church.
One: Friends by the Spirit, we raise our voices united in our common ministry.

Thomas Dennett and Cheryl Ballard give the report on the Cultus Lake May Retreat for Youth.

Thomas reads the report sent by Wade Lifton – [watch the e-mail group for the text](#) – a great report!

Presbytery installed its new executive, heard some other business, and adjourned into the night. God's blessings be with us all.
