**Purpose of this Report**

*The theological school shall report annually to the BC Conference Candidacy and Admission Board, soon after the end of the school year, concerning the Candidate's academic standing and involvement in the life of the school community, and expressing judgement of the school faculty as to whether the Candidate should be continued as a Candidate.*

*Since the theological school will spend more time with a candidate than the BC Conference, it is most helpful when the school can provide descriptive and clarifying information about each candidate. We understand that this feedback will reflect the views of the faculty as a whole and not the individual who signs this form.*

*Please respond to the following requests for information, or attach sheet and send to Brenda Wolff at [bwolff@bc.united-church.ca](mailto:bwolff@bc.united-church.ca) or mail to 4383 Rumble Street, Burnaby, BC, V5J 2A2. Thank-you for your valuable help with the candidacy process.*
