**THE PEARL GRIFFIN  
MEMORIAL BURSARY FUND  
for  
YOUTH LEADERS**

Pearl Griffin was a wife, a mother, a daughter, a sister and a dear friend. She was a very active member within the whole of The United Church of Canada. Her gifts of leadership, compassion, organization and ministry were known countrywide. Her love and care for her Church were known far and wide.

She was involved in the Young People's Union (YPU) growing up, as well as CGIT.

She was a strong advocate for youth and young adult ministry all her life. Pearl supported youth leaders in so many ways ... Our beloved Pearl died on December 1, 1996 of cancer. Many of us who had the amazing opportunity to know her and receive her love and support – miss her dearly. This bursary is a way to honour her memory and her passion and commitment to the Church.

**ABOUT THE FUND**

The need for a bursary fund for Youth Leaders has been growing over the last few years. In the Vancouver Presbyteries' alone there are 44 youth groups with over 80 active youth leaders.

There are many opportunities for Youth Leaders to receive training both within and without their Conference or Presbytery but they require money.

This fund was established to help youth leaders enhance their training so that they may effectively engage young people in their faith journey and provide a safe place for young people to question and feel loved and included.

As well as helping the youth they lead, training events and youth leaders gatherings allow the leaders to share their successes and their concerns hopefully coming back to their groups revitalized.
